**"Goliath
Must Fall"**

It's likely you have a giant in your life. . .an adversary that's diminishing your ability to live a full life. Frozen in the grip of rejection, fear, anger, comfort, or addiction, you've lost sight of God's promise for you and have settled for less than his best. He has a better plan for you—a plan for you to live in victory. That's why he silenced your giant once and for all.
